Summary

I am Hani Darwisha, I hold a Bachelor's Degree in Information Technology, I am skilled in Front-End Web Development, IT Technical Support, IT Project Management, and UI/UX Design. I have hands-on experience using ReactJS to create responsive and user-friendly websites and am adept at designing engaging websites and applications. My experience includes freelance work, an internship at IKK Group, and various projects that collectively showcase my ability to design, develop, and deploy websites. My strong troubleshooting abilities and leadership skills enable me to effectively manage projects and contribute to team success. I am dedicated to applying my diverse skills to drive innovative solutions.

Education

Bachelor's Degree in Information Technology, 05/2019 – 06/2023
Saudi Electronic University | GPA: 3.56 / 4.0 (Second Class Honors) Jeddah, Saudi Arabia

Work History

Web Developer & Digital Consultant (Freelance), Art of Management Est For Contracting 11/2023 – 01/2024
Jeddah, Saudi Arabia

- Designed, developed, and deployed a fully functional website, managing all aspects from domain registration to hosting setup.
- Created business emails, set up social media profiles, and linked all online presences on a linktree.
- Designed a variety of graphic materials, including logos, business cards, flyers, and social media.
- Managed marketing campaigns across multiple platforms (Tiktok, Snapchat, Facebook, Instagram), analyzing and reporting daily statistics.

Technical Support & Web Development Intern (Cooperative Training Program), 06/2022 – 08/2022
IKK Group of Companies - Centralized IT Department Jeddah, Saudi Arabia

- Developed, deployed, and maintained websites using WordPress.
- Helped the web development team with functional testing of the official IKK Group website.
- Provided IT technical support similar to that of a regional officer, resolving technical issues both remotely via TeamViewer and on-site, including troubleshooting computers and assisting employees face-to-face.
- Assisted the IT Support team across multiple locations, ensuring smooth IT operations.
- Replaced computer hardware parts & installed software applications on employees computers.

Cashier, LaFamiglia Bistro Cafe 11/2019 – 04/2020
Jeddah, Saudi Arabia

- Delivered excellent customer service and managed inventory, ensuring operational efficiency.
